

# Ephrata Youth Football

## 2026 VOLUNTEER & FUNDRAISING AGREEMENT

Our organization is powered by our amazing community! To keep registration costs low and our equipment in top shape, we rely on every family to pitch in during the season!

### 1. Volunteering Requirements

- **Commitment:** Each family must fulfill **3** volunteer time slots (Scholarship recipients: 6 slots).
- **Available Roles:** Concession stand, gate/spirit wear table, announcer's booth, and away game "chain gang." We also need help with the Ephrata Parade float and special events.
- **Volunteer Management:** All sign-ups are managed through online signups.
- **Leadership:** Assistant coaches and Team Moms/Dads satisfy the full season requirement (subject to head coach approval and background clearances).

*Have an idea? Have a different idea on how you can help EYF? Reach out to us! We are always looking for new opportunities to help our volunteers meet their requirement goals!*

### 2. Volunteer Deposit

A **mandatory \$40.00 deposit** (per family) is collected during registration. This is fully refunded at the end of the season if your volunteer requirement is met.

### 3. Fundraising

Fundraising is vital for safe, high-quality equipment. Each family is *required* to participate in our fundraisers by meeting a minimum sales goal or paying the opt-out fee per fundraiser.

I have read and understand the 2026 volunteer and fundraising requirements for Ephrata Youth Football.
